

N660R

**1968 BEECHCRAFT V-35
TURBOCHARGED BONANZA**

Looking for 50% owner purchase to replace current LLC owner/member.

\$60,000 plus attorney fees to change LLC documents

Monthly LLC operating base payment is 865.00 – includes hangar rental; insurance (at current rates, subject to change based on new owner); escrow for annual inspection; escrow for future engine overhaul. All required maintenance is levied above the monthly base payment and split 50%.

Potential buyers are subject to approval by current LLC members and will need to demonstrate abilities in the aircraft.

Any CFI endorsement for aircraft is at purchaser's expense.

Price is for one pilot as member of LLC.
